DR. KRAKOVSKY IS INVITED TO DELIVER A KEYNOTE SPEECH AT THE 2013 ANNUAL MEETING OF THE AMERICAN ACADEMY OF COSMETIC SURGERY

San Diego, California – Dr. Krakovsky is invited to deliver a keynote speech at the 2013 annual scientific meeting for the American Academy of Cosmetic Surgery.

The American Academy of Cosmetic Surgery 29th annual scientific meeting will be held in Las Vegas, Nevada on January 15-19, 2013. The prestigious meeting assembles over 700 international medical professionals and provides multi-track meetings in cosmetic surgery that feature state-of-the-art training in patient safety and practice management. The event also presents best practices delivered by three keynote speakers, including Dr. Krakovsky.

This year, Dr. Krakovsky will present retrospective surgical penile enlargement (phalloplasty) surgery patient assessment. Dr. Krakovsky is the world-renown expert in plastic/cosmetic surgery that performs penile augmentation with AlloDerm® graft, BellaDerm® graft and Dermal Graft from patient's skin. Dr. Krakovsky holds three unique United States Patents for cosmetic penile augmentation surgery describing penile triple augmentation with human grafts, including the Penile Dual Augmentation™ and Penile Triple Augmentation™ surgical methods. Penile triple augmentation surgery is the most popular phalloplasty surgery technique in the world today.

Dr. Krakovsky is a recipient of many prestigious awards, including:

- One of the 100 Best Cosmetic Surgeons of the Millennium in 2005
- One of the 100 Best Cosmetic Surgeons in the World in 2008.
- In both 2009 and 2010, he was awarded a certificate of recognition as one of America's Most Compassionate Doctors.
- In 2010, he also received the Patients' Choice Award and was selected as one of California's Favorite Physicians.
- In 2011, Dr. Krakovsky received the Leading Health Professionals in the World award.
- In 2012 he was elected to the Hall of Fame for Distinguished Accomplishments in Plastic Surgery. Later that same year, he was named Medical Education Man of the Year.

The International Phalloplasty Institute (IPI) is an educational branch of The American Academy of Phalloplasty Surgeons that was founded in the United States in 2008. The role of the IPI is to work with insurance companies to create an insurable teaching program in the United States and abroad. IPI holds regular seminars to teach phalloplasty surgery to other medical specialists, and to help them to become eligible for affordable phalloplasty malpractice insurance by completing this program. The program is open to all surgeons who would like to learn how to perform phalloplasty surgery procedures correctly and safely. www.internationalphalloplastyinstitute.org/.
